

Good afternoon,

We have created logins for the children in reception so that they can now use the website 'Bugclub'. You can find this on the internet at www.activelearnprimary.co.uk

Bugclub includes reading books for the children to read.
There are plenty of books to access so it is a brilliant resource for daily reading.

Inside the onscreen books there are a few aliens for the children to click on. When they click on them throughout the books it has questions for them to complete.

Each time your child reads a book and completes the alien questions they can earn points which can be used to buy stickers in their own rewards area.

To login:

Username- (your child's first name and the first letter of surname) e.g. TomS

Password- Reading

School code-TKS6

We have allocated books and set up logins for the children. Please ask on Tapestry if you have any difficulties.

Please remember to upload any of the wonderful work you are completing at home on Tapestry

Many thanks
Mrs Leafe and Miss Butler
