Dear Parents,

With the Government's plan now clear that they wish to see all children returning to school in September, we realise that you will want to start getting prepared with new school uniform in the coming weeks.

Our uniform supplier Create Identitee is now open. As the government rules have changed regarding trying on and returning items, customers can no longer try on in-store and if any items are returned, they will need to be quarantined for 72 hours, this will make things a bit harder, so online orders are recommended.

If you do need to visit the shop, you can do so between 10am-4pm weekdays and 10am-1pm on Saturdays. To ensure as smooth a visit as possible, please be prepared with a list of what you need and the sizing required. Measuring your child would be really useful or perhaps trying on a siblings uniform if you already have garments from Create Identitee at home or visiting the website beforehand. There is a list of school uniform requirements on the school website for your convenience.

The majority of stock this year will be made to order, so parents will need to allow a minimum of two weeks for orders to be completed. Please be prepared for this as all children will need to be wearing school uniform on their return to school, so we ask that you do not leave your order to the end of the summer holidays.

Thank You

Mrs Peden  
Headteacher
