English, spelling and phonics

So far this term the children have learnt their phase 3 sounds. The focus is on reading and writing sentences.

Maths This term will involve lots of number learning (the children will continue to develop previously taught skills, learn new skills and a big focus will be on mastering their number understanding.) They will also learn about shape, space and measure.

Personal, social and emotional development (PSED)

The children will continue to learn how to manage their feelings and behaviour, developing relationships and develop their self confidence and self awareness. We will continue to teach the school value branches. (Respectful mouse, Self belief squirrel and inquisitive fox) We will also continue teaching the zones of regulation and growth mindset.

Tapestry

The children enjoy sharing their home observations with the class. Please continue to add all your news and adventures from home.

We need your help

Please name all items as we have a lot of unnamed lost property.

Reminder:

Snack is £1 per week (you can pay for the term if you wish)

Home learning

Reading Please have books in school on Fridays.

Please read with your child across the week. Your child will get the opportunity to change their sharing book and reading book each Friday.
