- Then it is time to complete your morning work before the carpet time.
- The end of the day is at 3.15pm.

# My day:

---

Throughout the day you can explore the activities in both classrooms and in the Early Years garden. They are set up to support the topic and the 7 areas of the Early Years curriculum (curriculum maps are available on our website for you to see what the children are learning each term).

Across each day there will be 4 whole class teaching sessions. This includes daily phonics and lots of other sessions linked to the Early Years areas. For most of these you will sit with your class on the carpet area.

After carpet times you will join in with group learning. You will complete a mixture of activities.

Next you will explore, learn and play in the classrooms and garden.

Each day you will have snack this will include, fruit, milk and a variety of other foods e.g. biscuits, pitta bread/dips. Snack costs £1 a week and can be paid weekly or termly.

(This is chosen in the morning on the white board. Menus are available on the school website) You will use the cutlery that you need and eat with your friends. When you are finished you will tidy up your things.

After eating you will go out onto the Early Years garden to play. At some point during the first term the reception children will join in with the rest of the school in the OPAL play.

# OPAL Programme

- Children spend over 6 hours of their school week playing at break and lunch times. The opal project sets out to give children a wide variety of play experiences.
- At PTM this includes over the two playgrounds and the field all year round for all children- bikes and scooters, sand pit, digging area, book nook, construction, arts, water area, large loose parts, theatre, tyres, mud kitchen and small world toys. All children can play across any of the 31 zones.
- Some areas of our OPAL play spaces children must have wellies to use. Please ensure your child has wellies on the welly rack. Children are advised to have a spare pair of clothes with them incase they get muddy or wet. Children need a warm, waterproof coat and trousers. There is opal sways for you to see what goes on during an opal lunchtime.
- We are always looking for OPAL donations and parents to help us out with new areas around the school.
- Children in Key Stage 2 are allowed to eat their packed up or picnic bag outside.
- We have now been awarded Platinum status for our play offer. This puts us as school in the top 1% of the country for play opportunities.

# OPAL PLAY CHARTER

Play must be fun for everyone,  
we all have a right to play safely.

- Be ready. Follow the guidance in each area.
- Share and take turns - help each other. Be kind.
- Tidy up and put the toys and tools back in their homes.
- Wear wellies where we need to.
- Listen to adults and ask if you need help. Be safe.

Think First

Will it hurt or could it break?

Think First

Make good choices, manage  
risk and solve problems.

Have fun, be ready, be kind and be safe.

This is opal play charter.

This helps us to support children to all be able to access a fun  
and safe lunchtime.

Children will learn to make good choices, manage risk and  
solve problems

# Things to bring

---

## Every day:

- Correct school uniform and hair tied up (if longer than shoulder length). **Please name all uniform**, even socks and shoes. We have 60 sets of identical uniform and we can help lost items get back to the right owner if things are clearly labelled. The uniform shop will embroider initials on for a small charge.
- Water bottle to keep in the classroom (we encourage children to drink water only).
- Weather bags - to keep the children safe throughout the seasons we advise that they have a weather bag for their peg. In the winter this could contain a hat, gloves and scarf,. In the summer a sun hat and sun cream could go in the bag. **Please name all items.**

We ask that children do not bring toys into school. If they need a toy from home for comfort then this must be put in their book bag before coming into the classroom.

## Each week:

- **Book bags in school every Friday.**
  - Sharing books, reading books and reading diary to be in the book bag. We will change your child's books on a Friday. We check your reading diary on this day,
  - Children to wear PE kit for PE days, again please label clearly. (We will inform you of days)
  - Any homework (when specified).
  - Swimming kit and £3 contribution - swimming will start once the weather is warm enough. The day will be confirmed nearer the time.
- 
- Wellies can stay at school on the class welly stand.

# Learning opportunities:

---

In our Early Years we value learning through play and exploration. We aim to plan these opportunities in our indoor and outdoor learning environments. Here are some of the fantastic opportunities that pupils at Pear Tree Mead Academy can enjoy:

- A variety of activities and areas with provision for children to access, across both reception classrooms and the Early years garden.
- Forest school
- Outdoor learning in different areas of the school; our pond, our allotment, sand pit, digging areas and garden
- Swimming, children will need a swimming costume, towel and swim hat. Swimming costs £3 a week.
- A challenging and enabling learning environment.

If you would like to find out more about the Early Years Foundation Stage then visit this website: <https://www.foundationyears.org.uk/>. You can also find out more about our Early Years by visiting the school website: <http://www.peartreemead.essex.sch.uk/school-life/curriculum/>.

At Pear Tree Mead we are extremely lucky and proud to have a furry edition to our staff. His name is 'Numbers' and he is a qualified dog mentor.

Numbers is currently training on the job and learning what it is like to be a part of our amazing team. He has four handlers - Mrs Arnould, Mrs Peden, Mrs Davies and Mrs Thurgood.

Numbers works with the children, settling them into school, becoming a listening ear and someone that they can share their thoughts with. All children will be educated on the rules we follow when around Numbers.

# School App and Contacting you.

- Please make sure that the school has your most recent details so that you can be contacted via the phone or through group -calls and that you have access to the school app. (Arbor)
- PTM is nearly a cashless school – please make sure you set up your Arbor app and make payments through it. Swimming is to be purchased via the app too. Snack and FOPTM events are still cash.
- The school is fully paperless and all information can be found on via emails, the Arbor app and website..

# Pear Tree Mead Academy – school vision and motto.

# School Branches:

---

In the Early Years we focus on the first three branches:

# The Zones of Regulation:

- At Pear Tree Mead we teach the children important skills in regulating their own emotions and understanding the emotions of others. We start this learning in Reception where the children learn through the Zones of Regulation curriculum. The Zones are four coloured zones that relate to different types of emotions. The children will be taught how you may look, feel or behave when you are in these zones and how it is okay to feel different emotions. They will begin to be taught how to use different tools to regulate their emotions.

- If you would like to find out more please visit our website:

# Behaviour:

---

## **Pear Tree Mead Academy Expectations**

**Be Ready** – ready to learn, ready to inspire, ready to listen

**Be Kind** – kind to others, kind to ourselves

**Be Safe** – safe in what we are doing, where we are, what we are accessing

# BEHAVIOUR

# Behaviour Recognitions

---

Children receive recognition for work, expected behaviour and effort. We have a structured behaviour system where children can be recognised for exemplary behaviour (above and beyond) or for reaching (or striving towards) each branch on the tree (achieving the skill).

**Positive Notes** - this is a certificate that is given to a child when they have shown behaviour that is 'above and beyond' - this is for them to take home. Positive notes are also given to visitors to the school, who have the opportunity to give then to a pupil if they see exemplary behaviour.

Each 'positive note' is recorded on the class recognition chart. When pupils have enough positive notes they will receive a phone call home! Further notes will amount to them being invited to a 'hot chocolate event ' run by the Senior Leadership Team, where children will have a little hot chocolate treat and time with the leaders of the school. When attending, children can also collect a Headteachers award!

# Other Recognitions

---

- Across the school the children are arranged in house teams and can earn points for their house. The houses are named in line with the PCLC houses as we are part of the trust, these are **Griffin, Unicorn, Lion and Dragon**. House points are given out with a maximum of 5 at each occasion. A special treat is organised for the winning team each half term. This is something the children will be introduced to later in the year. Children wear house PE tops in the colour of their house. Children stay in the same house for all of their PCLC journey.
- Children can receive a Headteachers Award for excellent work and effort in their learning.
- We also have a 'Thank You' box in the main office where staff, parents and children can write messages of thanks to all school groups. These are shared in Assembly. This supports well-being within the school across all stakeholders.
- At lunchtime, our LSAs oversee the hall and Early Years garden. We run a recognition strip at lunchtimes, where individual children are given a strip of paper to recognise their super behaviour at lunchtimes. This is to add to the paper chain that they are creating in class, when the children have collectively achieved 100 recognition strips, they earn themselves extra play/lunchtime.

# What if you are not doing the right thing

---

- Appropriate consequences will be given, taking into consideration the child
- We will communicate behaviour and consequences with the child's parents where necessary, and only that of their child, not any other pupils' involvement
- In extreme instances, where behaviour is continuous, over time, or for one large incident, the pupil may face expulsion for a fixed period (this will be communicated with parents and formally by letter). Incident(s) can include the pupil putting themselves or others at risk, safety of them or others and/or verbal/physical harm.

# Attendance at PTM

---

- Will your child be a PTM Attendance Hero next year ?
- Being here every day and on time really helps your child be happy, successful and get the very best from their education.

Did you know...

That just being late regularly can soon build up many hours of lost learning.

# Home learning:

---

- We will change your child's reading books every Friday. The children will have a book band coloured book. Please record when you read in your book.
- Your child will also choose a sharing book in school. They will take this home, this is a story book which you can enjoy reading together.
- Reading at home every day is one of the best ways to help your child. This is a really important routine to get into.
- Your child will also bring home a set of rainbow words, these are given approximately once a half term. Please practise reading and writing these words frequently at home.
- There is a termly craft / art challenge based on the topic.
- We may set challenges on Tapestry for you to complete.

# Useful websites:

---

These are some useful websites for you to use across the year :

- Busy Things [www.busythings.co.uk](http://www.busythings.co.uk) This is a fun educational website which has activities for a variety of early learning areas. Username-home5826 Password-peartree
- Phonics Play [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk) Throughout the year we will keep you updated with what your child is learning in phonics. We will also lead a workshop to explain what we are teaching and how we teach it. This website has some free games which can support your child's phonics development across the year.

# Sharing your child's learning:

---

We like to share your child's progress through Tapestry. Tapestry is an online learning journal where we upload observations of things your child has been doing at school. You can like observations and upload comments. The children also enjoy it when they get to share their learning successes from home. Please upload photos and videos to show what your child has been doing at home, they will get to share these with their class.

If you are new to the school we will set up your accounts in the first few weeks.

Throughout the year you will also get the opportunity to look at your child's learning books. They will each have an English, Maths and topic book.

# Assessment:

---

When children start in Reception it is vitally important that the staff get to know the children's developmental stages, their skills and their understanding. This is so that we understand each child's next step and whether they will need any additional support.

We will use the observations of staff and the teacher's professional understanding of the children to identify their developmental stage. As a school we also complete the Government Statutory Reception Baseline Assessment. This is a 20 minute age-appropriate activity-based assessment of pupils' starting point in;

- Language, communication, and literacy
- Mathematics

The children will also be assessed to see whether they require intervention for their speech and language through the WELLCOMM assessment.

# Who to talk to:

---

If you have anything that you would like to talk about then the first point of call is always the class teacher or learning support assistant. We are very happy to talk. We don't check book bags daily, so please hand any letters to the staff member at the door.

If you would like to talk at the end of the day please wait until children are safely let out of the classrooms first.

If you feel that after speaking to a member of the class staff you still need to speak to someone else then please contact the school office as they will be able to point you in the right direction of who is best to speak to.

# Forest School

---

Mrs McCombie is our Forest School teacher. Our children enjoy working with Mrs McCombie in Forest School every fortnight from October until July.

## Forest School Ethos

Forest School is a unique educational experience and process that offers children the opportunity to succeed and develop confidence and self-esteem through hands-on learning experiences in a woodland environment.

Children engage in motivating and achievable tasks and activities throughout the year and in almost all weathers. Children will work with tools, play, learn boundaries of behaviour; both physical and social, grow in confidence, self-esteem and motivation whilst developing an understanding of the natural world.

# A Forest School encourages children to:

---

- develop personal and social skills
- work through practical problems and challenges
- use tools to create, build or manage
- discover how they learn best
- pursue knowledge that interests them
- learn how to manage failures
- build confidence in decision making and evaluating risk
- develop practical skills
- explore connections between humans, wildlife and the earth
- regularly experience achievement and success
- reflect on learning and experiences
- develop their language and communication skills
- improve physical motor skills
- become more motivated
- improve their concentration skills

# What will I wear at Forest School?

No children will be permitted to go to Forest School without appropriate clothing that will protect them from extremes of heat or cold, keep them covered to reduce the likelihood of cuts and scrapes and that fits appropriately for comfort.

Children and parents are encouraged to think about the usefulness of their clothing for outdoor activities, and to be aware they are likely to take some of our mud home with them after the session. In the forest it can be often be cooler than expected under the shade of the trees.

Clothing list: waterproof coat, with hood, long sleeved top, full length trousers, warm boots (wellies can be very cold during the winter), warm socks (and a spare pair), in cold weather – gloves and woolly hat, in warm weather – sun hat that fits well to ensure good visibility.

We work on the principle that "there is no such thing as bad weather, only bad clothing". We do have a selection of spare clothing but this will need to be matched to your child prior to the session and checked for suitability.

# What will I do at Forest School?

---

Activities for Forest Schools are diverse and numerous but it should be reminded that we are trying to create independent learners who are inspired to try out their own ideas, explore their own interests and to attempt new ideas. Some activities might include:

**Shelter building**

**Tool use**

**Studying wildlife**

**Playing team and group games**

**Art and sculpture work**

**Sensory activities**

**Tracking games**

**Using a Kelly Kettle**

**Rope and string work**

**Physical movement activities**

**Woodland and traditional craft**

**Cooking on an open fire**

**Developing stories and drama, and meeting imaginary characters**

# 'Friends of Pear Tree Mead' (FOPTM)

## How do we fundraise?

- We are a community of volunteers who help out at events hosted by FOPTM, it's a way to meet other parents and make new friends whilst supporting the school.
- We run a variety of events throughout the year with the aim to ensure that whilst profitable, our events are affordable to all families.
- Some of our events are for pupils only, but we also run family events after school, in the evenings and at weekends
- We run present sales at Christmas, Mothers Day and Fathers Day to enable children to choose a pre-wrapped gift
- At all school productions we sell to order from a selection of production photos taken during the class dress rehearsals.
- We also raise funds by using our clothing bin, pre loved uniform and asking organisations to match funds on stalls at larger events like our Summer fete and Christmas Bazaar.
- FOPTM is a separate entity to the school – If the school want FOPTM to fund something they have to request it in writing and it is put to a vote at our termly FOPTM meeting. Equally, if we want to run an event at the school, the school staff are given the option to assist on a voluntary basis
- All FOPTM can be found on our FOPTM facebook page. Please join for more information

Events include:

Halloween Disco  
Disco  
Easter Fayre  
Christmas Bazaar  
Summer Fete  
Summer Splash  
Break the Rules Day  
Present Sales  
After School Film Club  
Family Race Night  
Singo Bingo

After School Cake Sale

- We have a small team of parent volunteers who work tirelessly to manage the collection and sale of pre-loved uniform. Please ask if you need any pre loved uniform or donate any if you have anything to donate.

We also have a clothes bank at the front of the school. This is collected regularly and money is donated to the school.

# How can you help?

Every event we run requires manpower to source materials, set up, and host the event on the day. Without parents who are willing to give up their time, we simply would not be able to run things like school disco's, present sales, fetes and bazaars – All the things we know the children love!

**We are desperately short of volunteers, with quite a few of our 'regular' parent helpers moving on to secondary school this year.**

If you would like to get involved, please come along to a meeting to see what you can do to help – You can give up as much or as little time as you are able and there are always a variety of tasks to suit everyone's individual commitments and skills. Our meeting dates are published via parent mail and our facebook page, which will also keep you up to date with upcoming events where help is needed.

# Can you help us?

## PEAR TREE MEAD ACADEMY GOVERNOR RECRUITMENT

**The Governing Board is in urgent need of parent views to expand our capability. At present, the Board is under-represented in this area, leading to limited capacity for Governors to make sure the school is led adequately with all views represented. Without your help, this could put us at risk at our next Ofsted visit.**

We need to recruit two people who can represent parents' views on the Governing Board. As a volunteer parent governor, you will have input to the way our school runs, and your invaluable point of view can help to shape our children's futures. You should be excited about helping the school in being the best it can be, so that it will make our children exceptional. You should be able to attend board meetings in the evening – these are currently done via Zoom and are three per term. You will be allocated part of the school or curriculum to oversee, and this may involve meeting with teachers during school hours, or asking questions by email.

You do not need any formal qualifications, but you must be IT literate. At the very least you should be confident in using email and electronic communications (e.g. Zoom). All we ask is that you are an independent thinker who is able to bring a parent's view to the table, and that you are interested in getting involved in your children's education. In return, you will get full training, and will be part of a friendly team.

***Think you might be interested?***

***Please contact the school ([kate.townsend@peartreemead.essex.sch.uk](mailto:kate.townsend@peartreemead.essex.sch.uk)) & someone will get back to you. Please provide a bit about yourself, and why you think you might be suitable for the role.***
