### Art and Music

In music, we will be rewinding and reflecting upon all of our learning this year. We will focus on listening and appraising new music, composing our own pieces of music and looking at some music theory too!

In art, we will be creating our own Tinga Tinga art! We will be asking the children to use drawing and painting to develop and share their ideas, experiences and imagination.

# Year 2 Summer 2

This term we will be taking our classes on a virtual safari to Africa! We will join different explorers as they visit Kenya and meet the people, wildlife and landscapes. We will learn where Kenya is on a map and undertake a variety of fun activities to help learn more about Kenya and compare it to the UK.

### PSHE

This term, we will be focusing on our Resilience Hedgehog. We will also be continuing with our Zones of Regulation sessions where we will be working on how to choose the correct tools to help us regulate our emotions.

### Year TWO routine

**Monday** - Hazel Swimming  
Hazel and Juniper book change and homework.

**Tuesday**—Juniper PE

**Thursday** - Juniper swimming  
Hazel PE

### Science

Our topic this term will be 'Animals, including humans - Growth' children will learn how to notice that animals, including humans, have offspring which grow into adults. They find out about and describe the basic needs of animals, including humans, for survival (water, food and air) and finally they learn how to describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

### Maths

We will be continuing to work on measurement (time). We will begin working on problem solving including word problems, showing the children how to break down the problem and deciding what they need to do to solve it. The children will also be looking again at the 4 operations and different written methods which they can use to help solve different calculations.

### PE

In PE this half term the children will be taking part in Athletics ready for our sports day. The children will also be learning how to play cricket– this sport maybe new to some children but they will be learning the skills of throwing, catching and batting the ball as well as the rules of the game.

### English, spelling and phonics

We will be continuing to focus on capital letters and full stops in our writing and using our phonics to spell words. We will focus on creating interesting and well written sentences. We will also be continuing to use a range of punctuation, contracted word forms, adjectives and adverbs. The children have been working very hard on their handwriting and we are hopeful to continue this until the end of the year!
