Message from Mrs Peden, Headteacher

As we come to the end of another busy and exciting half term, I would like to thank all of our children, staff and families for their continued hard work, positivity and support. It has been another wonderful half term filled with learning, achievements and memorable experiences across the school. A special mention must go to our amazing Year 6 pupils, who approached their SATs week with such maturity, resilience and determination. We were incredibly proud

of the calm and positive attitude they showed throughout the week and they truly represented the school and themselves brilliantly. They should all feel extremely proud of themselves for the effort they have put in, not just this week, but throughout the whole year. We would also like to wish the very best of luck to all of the children who will be completing government assessments next term — we know they will all do their very best and continue to make us proud.

This half term has already been filled with lots of fun, including exciting school trips, sports days, special events and celebration activities. It has been lovely to see children for their hot chocolate event when they have received their 6 positive notes and I have been enjoying speaking to parents when children receive their first 3 notes.

There is still lots to look forward to during the final half term of the academic year. These moments are always highlights of the year and give children the opportunity to create lasting memories with their friends and teachers. As we begin to look ahead to September, transition activities for all year groups will also start next half term to help children feel confident, settled and excited about moving into their new classes and year groups. A reminder that the last week of term the children move to their new classes as part of our transition processes.

I would also like to confirm that there will be no changes to school uniform for September 2026. However, we will begin a consultation process during next school year regarding possible uniform changes for September 2027, and we look forward to gathering views from parents, carers and the wider school community as part of this process.

Please see below for more information about what is going on next half term and what we have been up to this half term.

Thank you once again for your ongoing support, encouragement and partnership with the school. We hope you all enjoy a well-deserved and restful half term break, and we look forward to welcoming everyone back for a fantastic final half term of the school year.

Mrs Peden

Class Requests

We are already at the time of year where we are looking at the plans for classes for September.

At Pear Tree Mead we believe that our year groups are one big team. We believe that children should have the possibility of meeting all 60 new friends in their year group, working with different children across the year groups. This way they get closer friendships

with more children and learn to deal with the challenges of working with new peers throughout their time in school.

Each year the classes are mixed up and put into different classes every year. The teachers work for many hours looking at these new class lists considering many factors for the new classes. These include making sure the classes are split by gender, SEND needs, friendship groups, clashes of personalities, children who may depend on a friendship too much etc. They work with the current teachers and talk to them about how the children would be best placed for the following year.

We do give parents an opportunity to put in class requests. This is a chance for parents to write a letter to Mrs Peden to request either children you would like your child to be with or not. Please put this in writing to info@peartreemead.com We do not take requests for staff as this is decided by the school.

Last year we had around 50 requests, so therefore, we cannot guarantee that your requests will be met as it can be a very difficult task to manage if a parent makes many different requests or if as a school we receive multiple requests that clash with other parents requests. We always try our very best and have the children's best interests at heart.

Children will also be asked to pick 1 child that they would like to be with by their current teacher. We will try our best to accommodate this request although it is not guaranteed.

The deadline for these requests is 9am Friday 6th June. No request after this date will be met as we will have sorted the classes ready for changeover day. Once the class are set and changeover day has taken place we cannot move children as this isn't fair on the classes or other children. Please do not request changes after they have been announced as they will not be agreed. The school decision on classes is final.

Maths Bee

Get ready for some number-crunching fun at Pear Tree Mead! After half-term, pupils in Reception through to Year 5 will be taking part in our exciting **Maths Bee Competition**. To launch the event, a fun-filled assembly took place on **Tuesday 19th**, where brave volunteers from each year group stepped up to test their arithmetic skills with a series of practice questions. The enthusiasm was buzzing as pupils showed off their quick thinking and love of maths! With plenty of opportunities to challenge themselves, cheer on classmates, and compete for success, this year's Maths Bee is set to be fun, fast-paced, and definitely **competitive**. We can't wait to see who will rise to the challenge!

ProStrike Football Fundraising Event

We have some exciting news! Our School is hosting a ProStrike Football Fundraising Event in the coming weeks after half term.

A letter and sponsor form have already come out. Please ask if you did not receive this.

Every child will have the opportunity to take part in the ProStrike Speed Challenge – a fun football-themed event where pupils test their strike speed against the inflatable ProStrike goal. Each child will receive a certificate, and there are brilliant prizes to be won for their fundraising efforts.

This event is not just about football – it's about giving our pupils a memorable experience and helping our school raise much needed funds for resources that benefit every child. Donations are quick and simple through our secure online page. All you need to do is visit www.prostrikeevents.co.uk/pay-online and search our school name. Fundraising is not essential, all children will join in, but every pound raised really helps our school and the children can win prizes. Thank you for helping us make our event a success!

Crazy Hair Day

Our Crazy Hair Day was a huge success! For a £1 donation, children came to school with the most imaginative, colourful, and creative hairstyles to help raise money towards adopting animals at Pets' Corner. We were absolutely thrilled to see the amazing effort that both the children and parents put into their fantastic hair creations. Thanks to your generosity and support, we raised an incredible £200. A huge thank you to everyone who donated and helped make the day so special! School Council are currently choosing the animals to adopt.

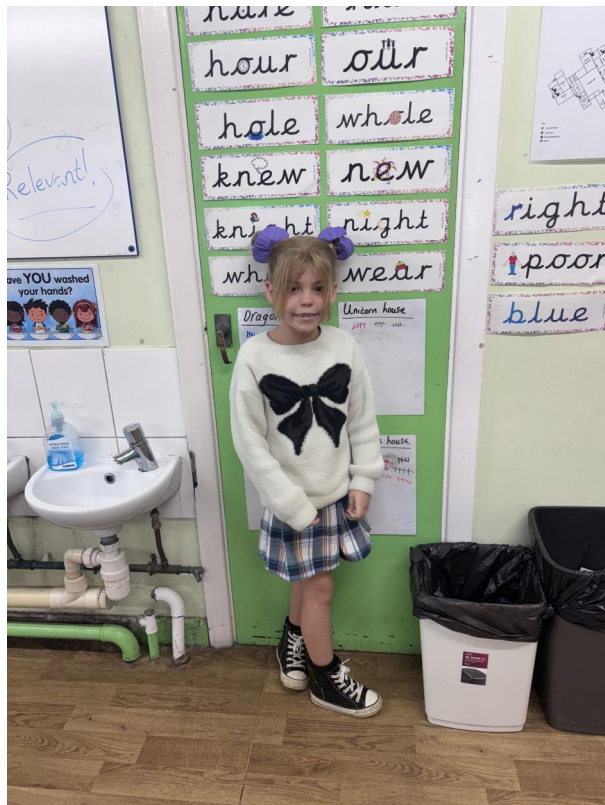

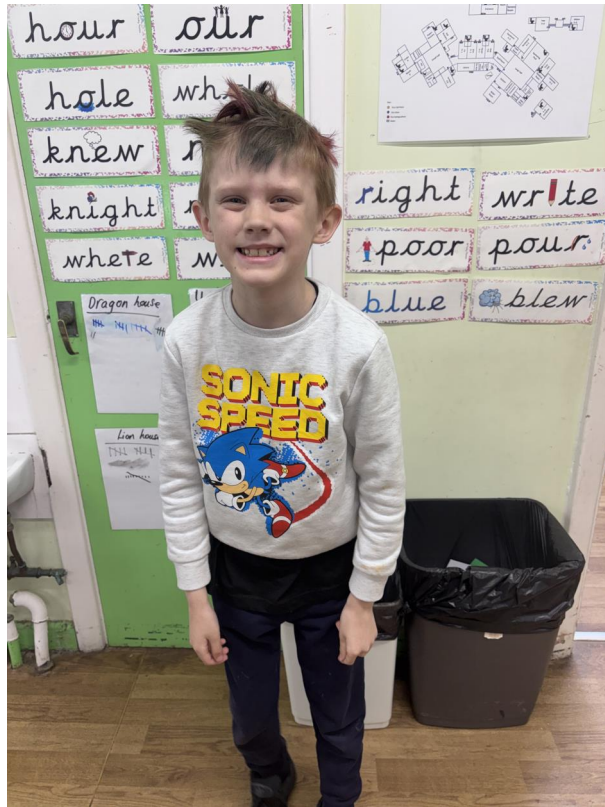

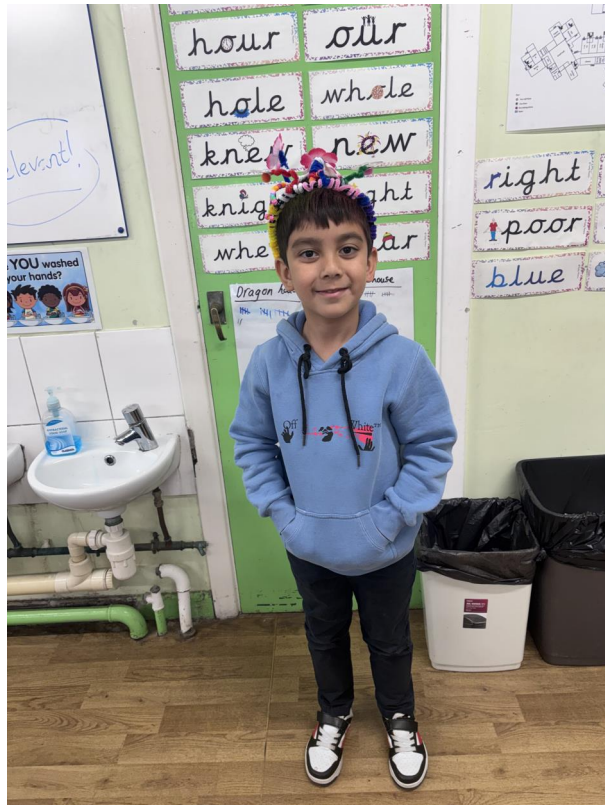

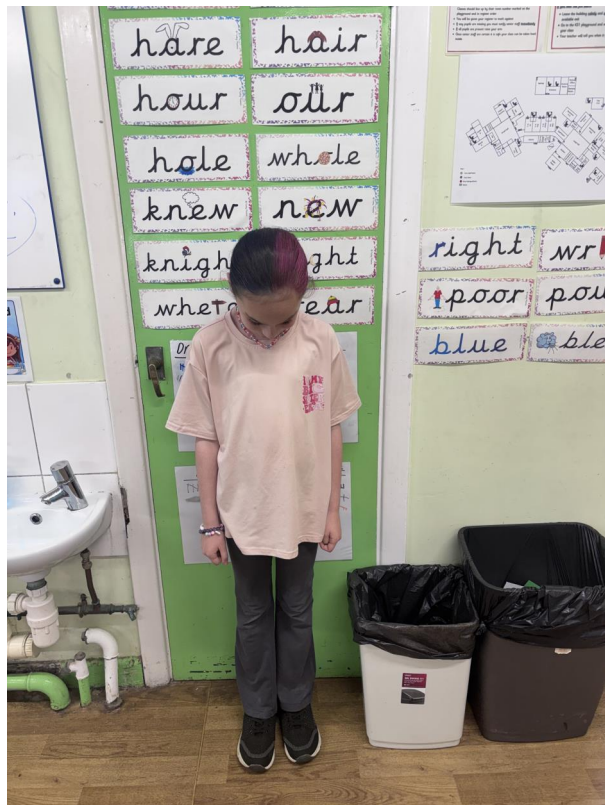

Year 2 Sports Days

Our Year 2 Sports Day was a fantastic morning ! The event ran very smoothly, and the children showed great enthusiasm, determination and teamwork throughout. All pupils tried their very best in every activity and should be incredibly proud of their efforts.

The children took part in five exciting field events, which tested a range of sporting skills and abilities. These were followed by three sets of races: the sprints, hurdles and the ever-popular egg and spoon race, which brought lots of smiles and excitement.

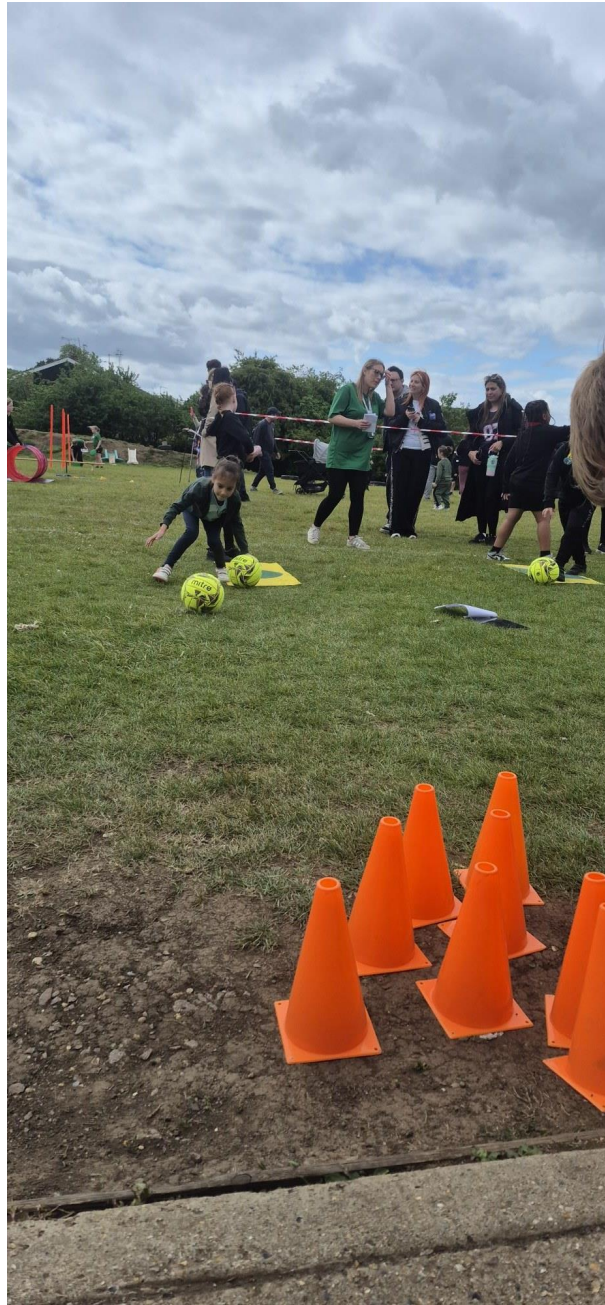

A big thank you goes to our Year 5 and Year 6 helpers, whose support and encouragement helped the events run so smoothly.

Their excellent teamwork and responsibility were greatly appreciated.

We would also like to give a big thank you to the parents for not arriving late or trying to leave early, it was greatly appreciated.

Lions on the Loose

Get rrrr-eady...something WILD is arriving this summer!

We're thrilled to announce [Lions on the Loose](https://lionsontheloose.co.uk/), St Clare Hospice's spectacular public art trail taking over Harlow, Epping and Loughton this summer.

Very soon our local public spaces will be bursting with **colour, creativity and community spirit** as our pride of beautifully decorated lion sculptures appears across the area. Each lion will be uniquely decorated by talented artists and proudly sponsored by local businesses, creating a free, feel-good experience for everyone to explore.

We can't wait to see the PTM lion out with his pride. We were so proud to smash our £600 fund raising goal.

Whether you're planning a family day out, scenic strolls or a fun challenge with friends, Lions on the Loose will be your **purr-fect summer adventure**. Follow the trail, discover every lion and celebrate the incredible care happening right here in your community – **all while supporting St Clare Hospice**.

<https://lionsontheloose.co.uk/>

The lions are coming...will you be ready to roar?

St Clare Hospice will be sharing more details soon, including sneak peeks, artist reveals and how you can take part. Keep your eyes peeled – **this is one roar-some adventure you won't want to miss!**

Don't miss a moment

Be the first to see lion reveals, behind-the-scenes content and exciting updates as the trail comes to life.

Year 3 Colchester Castle Trip

On Wednesday 6th May 2026, Year 3 enjoyed a fabulous school trip to Colchester Castle and Museum, where they took on the role of archaeologists finding out about all things Roman. The children took part in an exciting trail, looking for clues along the way to tell them more about what life was like during the Roman times, including the battle with the fearsome Queen of the Iceni tribe, Boudicca. The children learnt about the history of Colchester and why that was an important place within the Roman era and even had an opportunity to construct their own Roman villa, before visiting the castle vaults! Staff and children had a wonderful time and would like to thank all of those involved in making the trip such a success!

Year 3&4 Grandparents Afternoon

Our Year 3 and Year 4 Grandparents' Afternoon was a wonderful occasion enjoyed by all who attended. The children were delighted to welcome their grandparents into school and share a range of fun and creative activities together.

Throughout the afternoon, families took part in OPAL play, Colouring Shields, Family Tree making, Collages of Grandparents & Arts & Crafts, there were plenty of smiles and laughter along the way.

The event also included some fantastic OPAL activities, giving everyone the opportunity to explore and enjoy our outdoor play areas together. It was a joyful and memorable afternoon, celebrating family, creativity and time spent together.

A huge thank you to all the grandparents who joined us and helped make the event so special!

Road Safety Week

PTM children took part in Road Safety week. They learnt about safety in the surrounding areas and the community as a whole.

As part of Road Safety Week, we were pleased to welcome representatives from Essex Highways into school to work with both our pupils and parents.

The team delivered an informative talk for our Reception parents, followed by an engaging session with the Reception children, helping them to learn important road safety skills in a fun and interactive way.

They also led a presentation for our Year 5 pupils, before taking the children outside for practical roadside training sessions to reinforce safe habits and awareness near roads.

The sessions were both enjoyable and highly valuable, giving our children important knowledge and confidence to help keep themselves safe. Thank you to Essex Highways for supporting our school during Road Safety Week.

How You Can Help at Home:

- Modelling safe habits when walking near roads
- Holding hands with younger children
- Talking about road safety in everyday situations

Together, we can help keep our children safe on the roads. For more information and free resources, visit: [Safer Essex Roads Partnership](#)

Congratulations to our Year 6 children who recently took part in Bikeability training and successfully passed their Level 1 and Level 2 awards.

Bikeability is the government's national cycle training programme, designed to help children develop the skills and confidence needed to ride safely on today's roads. Throughout the

training, the children demonstrated excellent determination, focus and responsibility as they practised a range of important cycling skills.

We are very proud of all those who participated and represented the school so well. Well done to everyone involved!

Zig Zag Lines Re Painted

Please see the photo showing the lines outside the front of the school, which have recently been repainted. We would like to remind all parents and carers that you must not wait or park on these lines at any time. These markings indicate a safety zone and help ensure that children and drivers have clear visibility, keeping everyone safe during drop-off and collection times. Thank you for your cooperation and support.

TTRS Day

It was all things times tables at **Pear Tree Mead's TTRS Day** on **Friday 17th April**, as pupils across the school immersed themselves in a fun-filled celebration of multiplication and mathematical fluency! From exciting challenges and speedy battles to creative activities inspired by **Times Tables Rock Stars**, the day was packed with enthusiasm, teamwork, and plenty of friendly competition. Pupils enjoyed showcasing their multiplication skills, cheering each other on, and embracing their inner rock star spirit. A huge well done to everyone who

took part and demonstrated fantastic determination and resilience – we definitely have some future TTRS champions at Pear Tree Mead!

Year 6 Football Tournament

The Year 6 football team represented the school brilliantly at their recent tournament, showing fantastic teamwork, determination and sportsmanship throughout the matches. The team were outstanding in defence, conceding no goals at all across the entire tournament, and their hard work paid off as they were crowned overall winners! We are incredibly proud of all the players for their effort, attitude and achievement — a fantastic result for the school.

Life Skills Trip

This half term, our Year 3/4 Life Skills groups enjoyed an exciting trip to Harlow town centre to take part in a sculpture trail. The children travelled by bus and showed fantastic independence, road safety awareness and excellent behaviour throughout the trip. They worked together to spot different sculptures around the town. It was a wonderful opportunity to build confidence, teamwork and community skills while exploring our local area

Nursery - Squiggle whilst you Wiggle

The children in Nursery have enjoyed taking part in weekly 'Squiggle whilst you wiggle' sessions. This is an early writing program that combines dance, music, and movement to develop the children's fine and gross motor skills. The aim of these movements is to help them to become more confident with mark-making and literacy skills.

FOPTM UPDATE

A huge thank you to the Friends of Pear Tree Mead for organising such a fantastic school disco. The event was a great success, and it was wonderful to see the children having such a fun-filled evening, dancing, laughing, and enjoying time with their friends. We are very grateful to all the volunteers and families who helped make the evening so special.

If you run a business and you are looking to have a stall at the Summer Fair, please contact FOPTM to book this in.

We are **urgently** looking for volunteers to help run stalls at this year's Summer Fete. Without enough helpers, some of our much-loved stalls may not be able to go ahead. Even giving just an hour of your time would make a huge difference and help us create a fun and memorable event for all the children and families. If you are able to help in any way, please get in touch with the Friends of Pear Tree Mead — we would be so grateful for your support! Please see the attached flyer for our brilliant voucher scheme for helpers.

During Night Owls (4.10pm – 6pm) children will have a choice of activities including

- Art and craft activities.
- Completion of homework tasks
- Practicing reading, spelling etc
- Sports activities and team games.
- Lego and construction.
- Board games.
- Imaginative toys

Children will be given a snack during night owls such as a wrap, crackers, sandwich etc.

PTM Governors

A massive thank you and well done to our Pupil Leadership Team who attended our Governors meeting this year. They joined via teams. The three of them spoke confidently about their SATs and being in Year 6, Numbers our school dog and the OPAL project. The governors enjoyed their visit and asked them lots of questions.

Governor newsr.

Who we are: The Governing Body currently consists of 3 Parent Governors and 4 Community Governors. We are a friendly team that works with each other and the staff to ensure the students are able to reach their full potential whilst at Pear Tree Mead. You can find out more about who we are by visiting the school website. **What we do:** The governors are interested in ensuring the pupils at the school get the best, and we work towards this by volunteering in a variety of ways. One of our main duties is to meet as a team to discuss and review school policies and other school business. These meetings take place during the evening several times a term and are either face to face at the school, or via Teams. Each of us are linked with specific areas and subjects within the school and we monitor these throughout the academic year by communicating with the staff responsible for these areas, and by spending time in school. We also support the school and pupils in other ways, for example reading with younger students, being present at school events such as assemblies and sports days, and the recruitment of new staff.

What makes a good Governor: School governors can be employed part time or full time, self-employed, a stay at home parent or retired. Formal qualifications are not necessary, all you need is the ability to work as part of a team, an interest in how the school runs, and be able to ask questions. Training is provided, and the team are friendly and supportive to new members.

Interested in joining the team:

School Reminders

School uniform

A reminder that children should attend school every day in the correct uniform.

- Grey bottoms
- Black shoes
- Green jumpers or cardigans
- Ties for Year 3,4,5 and 6
- White shirts
- Black, white or grey socks or tights.
- Green hairbands or bows
- Gingham dresses in the warmer months. These should not be worn with tights, but with white short or long socks.
- All children need wellies at school for OPAL play.

For more information please see :-

<https://www.peartreemead.essex.sch.uk/about-us/uniform/>

We have some un-named lost property. Please name all items of uniform.

We have second hand uniform for sale if you need any more uniform. Please ask via the FOPTM Facebook page.

Children must be suitably dressed for the weather and have their coat in school every day. Otherwise they may not be able to play outside when it is cold. In the summer months children should have suitable shoes for school and sun hats when it is warm.

Parking

Please can we ask that parents park carefully outside the school. We are encouraging children to try and walk to school as much as possible.

Vaping

It has been reported to us that some parents are vaping on school site. Please be reminded that this is not allowed. Many thanks

Final Note
