

Storysacks Workshops

Storytime is such an important time for children and parents. Join us and create together a Story Sack which we hope you will love.

A Storysack is a large cloth bag containing a quality children's picture book with supporting materials to stimulate reading activities.

To bring the book to life, soft toys of the main characters, items relating to items in the story, fact-based items and games to engage children. We will give you ideas to develop listening, reading and writing skills using the contents of the Storysack.
