Dear Parents of Pre School children

We are so pleased to be able to let you know the Christmas Plans for the term. We have tried to keep as many of our usual festivities going on. We have tried to lay out all the plans in one place so that you are aware of all the activities that the children will be taking part in. I know this now looks a lot, but it is covering all the Christmas Activities that we usually take part in.

We are aware that this will be some differences to our usual plans but we have tried to make Christmas as special as possible for the children in this different time whilst also keeping to year group bubbles and keeping our children and staff safe. Unfortunately, we will not be visiting the church for the last day of term.

Please be aware that each year group has a different plan and so please read each letter carefully so that you know what is going on for each of your children, what they need to wear and bring to school.

Some of the information below is information only so that you know what the children will be getting up to.
