Key dates for the year 2021/2022

Please note

Please take note of the years dates as this is one of the ways we communicate these to you. If, for unavoidable reasons, any of these dates need to change, we will inform you with plenty of notice via Parentmail, on our school website or by letter. We will also keep you informed of any additional events/dates as they arise.

Please note some of usual events may not be able to take place as they usually do, depending on government guidance and our Outbreak Management Plan. This may be due to COVID-19 restrictions on large gatherings and number of cases in the school or parts of the school at different points of the year. These may include our fundraising events and events such as our Christmas plays, which may have to take place without a parent audience. We appreciate your understanding at the difficult decisions we may have to make concerning these.

All scheduled events are subject to be cancelled or carried out in a different way due to any undisclosed changes in Government guidance throughout the year or advice given to the school by Public Health England or Essex Track and Trace.
