Outdoor Learning

We will be visiting our woodland area on a Friday, weather dependent. Please ensure your child wears appropriate clothing and footwear such as long sleeves, trousers and wellington boots. As the weather starts to improve please put sun cream on and provide your child with a hat.

Spring Term 2: Dear Zoo

This term our topic will be 'Dear Zoo'. We will share the well known story with the children and base our activities around this. The children will be introduced to the different animal sounds and be encouraged to try and identify what animal is making that sound, during our Phonics session. They will also engage in small world play where they will be encouraged to use their imagination.

Creative Activities—Dear Zoo

Speech and Language

Please make use of the Speech and Language Therapy drop in sessions made available in our local area, on Tuesday mornings. A provision that provides support for children with speech and language difficulties. Please see the Pre-School staff for more details.

Our Topic Book for this term is:

Our PTM Values

We will be supporting your child at school to develop how they make relationships, build their self confidence and self aware-ness and support them with how they manage their feelings and behaviour. We will encourage the children to be respectful, inquisitive and have self belief like our school animals.

'WOW' vouchers

We would like to know about your child's successes at home, e.g 'sleeping in their own bed', 'tidying their toys away' etc. We will be providing your child with a leaf wow voucher for you to fill in and return. We will then share these with the children and hang them up on our tree display in the classroom.

Reading at home

Reading books will be changed every Friday. We encourage you to read with your child and talk about the pictures, asking them what they can see etc. Your child will receive a special certificate when they have read 10 times!
